

Mini Traveller and Countryman Register

The Register is free to join and is for owners of any Morris Mini Traveller's and Austin Se7en Countryman cars from the sixties, if you currently own one, we'd like to receive your registration.

We hope to be able to help you in some way – maybe we can unite you with a car, or find those hard to source bits you need!

The aim of the Register is to help preserve as many of these unique British Motoring icons as possible and is a place where like minded owners can share their enthusiasm for these great versatile cars.

All personal information held on the “Register” will be completely private and absolutely NO SENSITIVE INFORMATION will be divulged to a third party under any circumstances. I.E. Chassis numbers, names, addresses etc.
